

PACK PROFI 161-21403

Manual tape dispenser

Technical Data Sheet

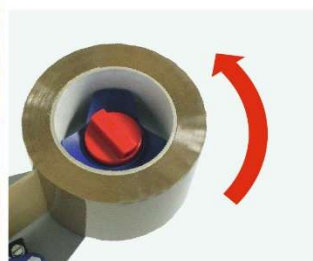

PACK Profi 161-21403 is a professional hand dispenser for adhesive tapes for sealing cardboard boxes and packages. With a roller brake, it is ideal for dispensing packaging tapes that are easy to unwind. Two pressure rollers ensure that the adhesive tape is particularly easy and smooth to apply. Cutting the adhesive tape is carried out by pressing the trigger in the handle and thus protects against injuries.
